ORDER

Defendants' Motion for Leave to File a Reply (**Doc. 14** in Civil Action No. **13-709**)
is **GRANTED**, and the Reply is deemed filed at Doc. 15 in Civil Action No. 13-709.

Defendants' unopposed Motion to consolidate these several cases (**Doc. 52** in Civil Action No. **12-1011**) is **GRANTED**, and the above-captioned cases (Civil Action No. 12-1011, Civil Action No. 13-518, Civil Action No. 13-519 and Civil Action No. 13-709) are hereby **CONSOLIDATED**, for pretrial purposes, under **Civil Action Number 12-1011 ("the Lead Case")**. The Court later may revisit, by motion or of its own accord (after notice to the parties and an opportunity to respond), whether the cases ultimately should be consolidated for trial.

In granting Defendants' Motion to Consolidate, the Court holds that Defendants' statements for the purposes of consolidation shall have no bearing on issues related to class certification.

Until further notice, all filings in these consolidated cases shall be docketed under the Lead Case, and the parties may abbreviate their captions to read, "*In re Milo's Dog Treats Consolidated Cases*, Civil Action No. 12-1011," or a reasonable equivalent. As soon as is practicable, the parties shall re-file any Motions (only) pending in the non-lead cases into the docket of the Lead Case, and such re-filing shall not affect or prejudice any party's rights and/or obligations in any way.

IT IS SO ORDERED.
